CASH HANDLING EQUIPMENT

Telequip® T-Flex Coin Dispenser

Accurate Change - Instantly!

David Beaton, a Tim Horton's franchisee in Buffalo, NY.
David owns 40+ Tim Horton's shops in upstate New York.
He bought his first Telequip Coin Dispenser in December of 2010 from Gemsys, and quickly purchased 15 more for all the drive thru windows.

David's Observations of the Telequip T-Flex Coin Dispenser

Faster and Friendlier Service

- Team members no longer have to focus on counting back change
- Saves seconds per transaction
- Creates more time for team members to help each other prep orders
- Allows team members more time for guest interaction
- Allows for more relaxed drive thru environment, Faster & Friendlier Service!

Team Members *LOVE IT!*

- Team members have more time to interact with guests
- Removes the pressure and anxiety of handling cash
- New team members learn cash transaction process easier
- Increases team member confidence

Efficient Operations; Saves you Money!

- Drastically reduces cash shortages
- Reduces cost for cash drawer repairs - By reducing weight of coin in cash drawers
- No more wrong change - Increases guest loyalty = Increased revenue

David's Advice to other Tim Horton's Owners

- No drive thru should be without a Coin Dispenser
- Less Shortages, Friendlier Service, Extra Seconds, Fewer Cash Drawer Replacements!
- Your return on investment is there - Invest in a T-Flex!
